2 and under a like condition as to the proportion of each.

each.

NEWSPAPER WRAPPERS,
6% by 9% inches, of buff or manila paper.

All the above envelopes and wrappers to be embossed with postage shainps of such denominations, slyles and colors, and to bear such printing on the face, and to be made in the most thorough manner, of paper of approved quality, manufactured specially for the purpose, with such water marks of other devices to prevent imitation as the Postmaster General may direct.

other derices to prevent imitation as the Postmaster General may direct.

The envelopes to be thoroughly and perfectly gummed, the gumming on the diap of each except for circulars) to be put on not less than half an inch in width the entire length. The way are gummed not less than three-fourths of an inchest the gummed not less than three-fourths of an inchest the gummed not less than three-fourths of an inchest the gummed not less than three-fourths of an inchest the gummed not less than three-fourths of an inchest the gummed not less than two districts of twenty-five and packed in strong pasteboard or straw poves, each to contain not less than two hundred and fity of the contain not less than two hundred and or extra official size, exparately. The newspaper wrappers to be packed in boxes to contain not less than two hundred and fity such. The boxes are to be wrapped and scaled or securely fastened in strong manifa paper so as to safely bear transportation by mail for delivery to postmasters. When two thousand or more envelopes are required to till the order of a postmaster the straw or pasteboard boxes containing the same must be packed in strong wooden cases, well strapped with hoop from and addressed; but when less than two thousand are required proper labels of direction, to be furnished and expanded the impaction of an agent of the department, must be pinced upon each package by the contractor. Wooden cases containing envelopes or wrappers to be transported by water routes must be provided with suitable waterproofing. The whole to be done under the inspection and direction of an agent of the department.

The envelopes and wrappers must be furnished and de-

under the inspection and direction or an agent of the appartment.

The envelopes and wrappers must be furnished and delivered with all reasonable despatch, complete in all respects, ready for use, and in such quantities as may be required to fill the daily orders of postmasters; the deliveries to be made either at the Post Office Department, Washington, D. C., or at the office of an agent duly authorized to inspect and receive the same; the piace of delivery to be at the option of the Postmaster General, and the cost of delivering, as well as all expense of packing, addressing, isbeiling and waterproofing to be paid by the contractor.

Bilders are notified that the Department will require, as a condition of the contract, that the envelopes and wrappers chall be manufactured and stored in such manner as to in-

condition of the contract, that its envelopes and wrappers shall be manufactured and stored in such manner as to insure security that the such manner as to insure security that it is not bett. The manufactured and stored in such manner as to insure security that it is not bett. The manufactured that the such manner as to insure security that it is not better that the contract to be rathfully observed.

The dies for embossing the postage stamps on the contract to be stable to be attable of the satisfaction of the Postmaster General, in the best style, and they see to be provided, renewed and kept in order at the expense of the contractor. The Department reserves the right of requiring new dies for any stamps not denominations of stamps not now used, and any changes of dies or colors shall be made without extra charge.

Excellents of the stamped envelopes and wrappers now in these specimens of the stamped envelopes and wrappers now in these specimens are not to be regarded as the style and quality face by the Department as a standard for the new contract; bidders are therefore invited to submit samples of other and different qualities and styles, including the paper proposed as well as the manufactured envelopes, wrappers and boxes, and make their bids accordingly.

The contract will be awarded to the bidder whose proposal, although it be not the lowest, is considered most advantageous to the Department, taking into; account the prices, quality of the samples, workmanship, and the suniciency and solidy of the bidder to manufacture and deliver the envelopes and wrappers in accordance with the terms of this advertisement, and no proposal will be considered unless accompanied by a sufficient and satisfactory guarantee. The Postmaster seneral also reserves the right to reject any and is bid. If in his judgment the interests of the government required.

Congress, approved the 16th of August, 1842, and payments under said contract will be made quarterly, after proper adjustment of accounts.

The Postmaster General rearres to himself the right to annul the contract whenever the same or any part thereof is offered for saie for the purpose of speculation, and under no circumstances will a transfer of the contract to allowed or canctioned to any party who shall be, in the opinion of the Fostmaster General, less able to fulfil the conditions thereof than the original contractor. The right is also reserved to annul the contract for a failure to perform faithfully any of its atipulations.

Tre number of envelopes of different sizes, and of wrappers issued to postmasters during the fiscal year ended Juce 10, 1659, was as follows, vix:—
No. 1, Nota size—1,114,000.
No. 2. Ordinary letter size (not hypetofore used).
No. 3. Full letter size (urgammed, for circulars)—4,150,000.
No. 4. Full letter size (urgammed, for circulars)—4,150,000.

nt, Washington, D. C. JOHN A. J. CRESWELL, Postmaster General. DROPOSALS FOR PURCHASE OF RIPLED CANNON

BURRAU OF OZDNANCE, NAVY DEPARTMENT,

WASHINGTON GITT, Jan. 4, 1870.

Scaled proposals for the purchase of 32-pounder and 22
pounder l'arroit Rifes, with Carriages, Implements and Projectiles, now on hand in the Navy Yards at l'orismouth, N. H.
Boaton, New York, Phila-ciphia, Washington and Nordowill be received at this bureau until 12 o'clock, noon, Jan.
31, 1870. will be received at this bureau until 12 o'clock, noon, Jan, 1570.

In the aggregate there are about 300 guns, 354 carriages and 26,157 projectiles. Schedules in detail of the articles at each yard will be furnished on application to this bureau.

Buders will state the number of guns, carriages, implements and projectiles they desire to purchase at each yard separately, specifying the calibre of gun, kind of carriage, whether broadside or pivot, and the kind of projectiles. The guns, Ac, will be delivered at the respective Navy Yards, and must be removed by the purchaser or purchasers within ten days after the acceptance of his or their bid. But no deliveries will be made of any article until the parties purchasing and have deposited with the paymaster of the Navy Yard the full amount of the purchase money in each case.

Many of the guns are new, and all are serviceable. Buddle with the control of the contro

to accept.

Proposals should be endorsed on the envelope, "Proposi
for Purchase of Rifle Cannon, &c."

A. LUDLOW CASE, Chief of Bureau.

A RABIAN STALLION FOR SALE.—THE PURE Arabian Horse SAID is for sale on reasonable terms as his present owner has no use for him. To breaders he will be a most valuable acquisition. The following pedigree gives the purity of his blood, with other interesting facts relating to his exercia most valuable acquisition. The inversiting facts relating to his career:

As ID (also spelled Sayed), as given by the groom of Nubar Pasia, Minister to France from Egypt, was fooled on the 27th of March, 16%, at the stables of Nubar Pasia. His sire was the famous Khorassan, the property of Abdul Medjid. Sid's the famous Khorassan, the property of Abdul Medjid. Sid's dam was Obian, the property of Nubar Pasia, and is the descendant of the celebrated Jan'izcar, which leaped the citatel walls with the last Mameluke Bey when fleelig from Mahomed All in 1819. Therefore, Said is a cross between the Nedjid breed on the mother's side and the Anasseh breed on the side of Khorassan.

This grand Arab stallion exhibited wonderful powers of endurance and speed in the Abyssinian war, being ridden constantly by an officer during that campelgn.

For further particulars apply to Mr. FOSTER at the effice of Wilkes' Spirit of the Times.
